## PROFESSIONAL EXPERIENCE

**Account Manager (San Diego, CA)**

*Livable Inc. | March 2022 – Present | Full-Time, Remote*

- Account Management: Managed a portfolio of 300+ client properties, conducting regular account health checks, addressing client concerns, and maintaining an 87% client retention rate.
- Team Leadership: Led 20 team members across Utility Billing (17) and Support Administration (3), overseeing daily operations, workload distribution, team productivity, and performance against operational KPIs.
- Billing Operations: Processed and approved 2,000+ utility billing records per billing cycle, achieving 100% on-time completion and 100% data accuracy while meeting billing deadlines and quality standards.
- Process Improvement and Automation: Standardized workflows and automated manual processes, reducing processing time by at least 35%, saving approximately four hours per week, and minimizing human error.
- Client Relationship Management: Conducted proactive account health checks, monitored client concerns, and coordinated with internal teams to address service issues and maintain client retention.
- Escalation and SLA Management: Managed client escalations and monitored support tickets to ensure timely resolution and compliance with Service Level Agreements (SLAs).
- Performance and KPI Monitoring: Monitored team productivity, ticket resolution progress, and Support Administration KPIs to identify performance gaps, improve accountability, and maintain service delivery standards.

**Business Manager (Ontario, CA)**

*Loyal Exterior Cleaning | July 2018 – August 2026 | Fulll-Time, Part-Time, Remote*

- Managed daily business operations, including job scheduling, sales reporting, customer invoicing, and field technician coordination to ensure efficient service delivery.
- Managed customer communications through phone, chat, and email, addressing inquiries, following up on outstanding payments, sending payment reminders, and coordinating recurring service appointments.
- Automated administrative workflows using Zapier and Claude to streamline repetitive tasks, reduce manual work, and improve operational efficiency.

**E-Commerce Manager (Hurricane, UT)**

*Red Rock Furniture | February 2017 – July 2018 Full-Time, Remote*

- Managed daily Shopify e-commerce operations, including order management, sales monitoring, product listing optimization, product data updates, returns processing, and refund management.
- Prepared weekly sales performance reports and conducted sales audits every Friday to track revenue, monitor order activity, identify discrepancies, and support data-driven marketing decisions.

**Virtual Assistant (Perth, WA)**

*Allstar Dance Studio | January 2015 – January 2017 | Part-Time, Remote*

- Managed customer service communications through email and chat, responded to inquiries, followed up with prospective students, and sent enrollment reminders to support lead conversion and student enrollment.
- Provided administrative support to the studio owner by managing email correspondence, calendar appointments, meeting schedules, and daily administrative priorities.
